VISION

Our vision is to provide clients with professional, fast and reliable solutions that best suit and service their needs.

MISSION

To provide clients with quality products and excellent services that exceed customers expectation in the building industry and to create long term relationships with our clients.

BACKGROUND

MVZ projects was founded in 2015 by Marnus van Zyl a qualified plumber with local and international experience. The Company has since become a well established and fast growing business. MVZ Projects is well known in the Gauteng, Free state, Limpopo, Mpumalanga and North-West Province for providing high quality service and to deliver projects on time.

SCOPE

MVZ Projects are contractors for all plumbing, painting and ceilings projects focusing on Residential, Industrial and Commercial services such as new developments for Small Businesses, Shopping Malls, Hospitals, Hotels, Guest Lodges, Warehouses, Factories, Workshops, Hatcheries and Conversions. The company differentiates itself in being unique by providing professional and excellent client service.

MVZ Projects has the knowledge and experience to ensure that the internal and external work is executed to perfection.
